**NABPOP Announces Revised Version of BPO Standards and Guidelines**

Scottsdale, AZ September 19, 2010 – The National Association of Broker Price Opinion Professionals (NABPOP), together with the BPO Standards Board (BSB), is pleased to announce a revised version of BPO Standards and Guidelines (BPOSG). The BPOSG provide a comprehensive framework for the preparation of Broker Price Opinions (BPOs) throughout the BPO industry, including suggested practices for the selection and utilization of comparable properties, pricing considerations, the use of photographs and ethical and competency considerations. Since the initial release, BPOSG has been well received in the industry and the latest version ensures the efficiency, relevance, and viability of the standards and guidelines.
